- II. Section VII- Technical Specifications have been revised to read as:
 - II. SPECIAL/OTHER CONDITIONS OF THE CONTRACT
 - 5. The Contractor shall also provide miscellaneous materials such as rugs for cleaning, grease, lubrication oil, service light bulbs and other miscellaneous materials necessary for proper **maintenance/cleaning of escalators/elevators, pit area and machine room, lubrications of mechanical moving parts, etc.** Contractor shall also provide Personal Protective

Equipment (PPE) such as face mask/shield and hand gloves for its assigned maintenance personnel.

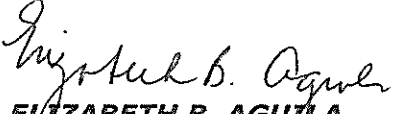

- 6. Minor repair will be free of charge such as installation of PICC-supplied PCBs, relay, circuit breaker, burnt wires/cables, and other parts as replacement of the defective part/s.**
7. If the required major materials and parts are not available on stock, the Contractor shall submit a price quotation to PICC for approval and procurement.
8. The Contractor shall provide emergency service (check-up and trouble- shooting) on on-call basis within 24 hours after receipt of call free of charge.
- 9. During emergency service of elevator/escalator, if found out to have defective PCBs, the Contractor shall immediately provide service PCBs to temporarily restore the equipment back to the operation. Failure to provide service PCB or restore normal operation within 24 hours upon rendering the emergency service shall mean deduction from the number of operable equipment during the coverage period billed on a per day basis. Computation/cost per equipment not operable shall be based on the Special Condition of Contract under GCC Clause 2.2,**
10. The Contractor upon the request of the PICC or its authorized Technical/Mechanical services representative, shall provide stand-by service personnel for fast and immediate troubleshooting/restoration of escalator and elevator minor defect/s to ensure safe, proper and continuous operation of said equipment during big local and/or international events. The rate of the stand-by technician and/or repair serviceman shall be based from Contractor's manpower costing rate per technician per hour as part of the contract.
11. The Contractor shall provide PICC a detailed report of each inspection and or check-up of each unit listed above. The report shall include voltage and current log readings taken during inspection, condition of equipment, and recommendation on proper operation and maintenance and repair work.
12. The Contractor, upon request and proper authorization of PICC, shall provide additional services not included in the above scope of works. The services rendered shall be billed separately by the former to the latter.
13. The Contractor, within the first 30 days of implementation of this Contract, shall conduct inspection of the equipment, together with the Assistant Director of Mechanical Services Division or his authorized representative, to determine components and auxiliaries for repair and replacement, and submit recommendation for action of PICC.

14

14. The Contractor shall submit detailed preventive maintenance program to PICC' Mechanical Services Division for the Mitsubishi elevators and escalators on the first quarter period and implement the same in accordance with PICC approved schedule so as not to hamper any event activities and the flow of human traffic.
15. No part of the services to be provided under the Contract may be sub-contracted. and no obligation or duty arising therefrom may be transferred or assigned, without the prior approval of, and upon terms acceptable to, PICC.
16. The Contractor shall ensure that its assigned personnel and/or representatives shall comply with, and submit themselves to, the rules and regulations of the PICC on security, sanitation, environmental compliance, safety and other regulations.
17. The Contractor's personnel to be assigned at PICC shall have no employee-employer relationship with PICC. The Contractor shall hold PICC and its personnel free from any suit or liability whatsoever arising from any demand or claims for personal injury, wages and other employee benefits, and other claims for damages including death of its personnel and third parties in connection with the performance by the Contractor or its personnel of their duties under the Contract.
18. The Contractor agrees that non-performance of any of the specific works, and non-compliance to all the conditions specified herein are considered breach of contract.
19. The Contractor shall assist PICC in the renewal of the expiration of the Permit to Operate (PTO) of the elevator/escalator and other government permits and clearances **one month prior to the expiration of the valid/still existing PTO**. The Contractor shall perform all the required elevator/escalator test/s and issue all required Certificate/s signed by their Professional Mechanical Engineer (PME) that are needed for the renewal of PTO and should be physically present along with the MSD personnel during annual inspection conducted by the Local Government Unit (LGU)/Government Permit Issuing Agency (GPJA). **Coverage of assistance shall be from filing of the necessary application form/s to the LGU/GPIA, assessment of the fee, and payment to the cashier. (payment will be subject for reimbursement to PICC). Any Administrative fine/Penalty due to late filing of certificate of renewal attributable to the negligence/inaction of the Contractor, shall be charge to the same.**

The corrected copies are attached. Bidders are advised to replace their original copies with the corrected copies.
